

S.A.T Math Tutoring
by
Prof Mahesh Sharma

Join Prof Mahesh Sharma to understand how to prepare for SAT (Math) in an efficient and productive way. He has helped hundreds of students and teachers. Parents are invited for the opening session to understand the role of SAT in higher education.

Every Other Saturday 06:30 PM to 08:30 PM
From March 6, 2010

Fees: \$225 for 5 sessions (Donation to Temple)

Proceeds of the tutoring will go towards funding activities of NEHTI YCEP including scholarships to students

Please register at the Temple Front Desk

Professor Mahesh Sharma is the former President and Professor of Mathematics Education at Cambridge College. He is the founder and President of the Center for Teaching/Learning of Mathematics, Inc. of Wellesley, Massachusetts. *Berkshire Mathematics* in Reading, England, was founded to facilitate his work in the UK and Europe. Internationally known for his groundbreaking work in mathematics education, he is an author, teacher and teacher-trainer, researcher, consultant to public and private schools, as well as a public lecturer. He has been the Chief Editor and Publisher of *Focus on Learning Problems in Mathematics*, an international, interdisciplinary research mathematics journal with readership in more than 90 countries, and the Editor of *The Math Notebook*, a practical source of information for parents and teachers devoted to improving teaching and learning for all children. He provides direct services of evaluation and tutoring for students (children as well as adults) who have learning disabilities such as dyscalculia or face difficulties in learning mathematics. Professor Sharma works with teachers and school administrators to design strategies to improve mathematics curriculum and instruction for all.

Please register at the temple before March 6, 2010
